SHARING AND FURTHERING THE ART OF SEWING

## **Exciting News!**

***STOP PRESS - an exclusive offer to ALL members from our Industry Partner, Simplicity Patterns in association with the NSW Industry Day!***

*Simplicity, New Look and Burda patterns only \$5 each!!! Along with Simplicity and Burda publications, tracing tissue and carbon plus tissue with grid lines for all sorts of purposes from pattern drafting to pattern alterations! Prices for publications and tissue/tracing on the Order Form.*

***This special offer is available not only to members and guests attending, but to all members, Australia-wide!***

*If you are coming to the Industry Day on 9 September, pre-order and Simplicity will pre-pack them and you can pick them up and pay for them on the day! How brilliant is that? More time for other shopping and socialising; sounds like a great plan to me!*

*John Byrnes has generously made the same offer to those in other states too - if the various groups want to arrange a pre-order for patterns, just send them in as a group to save on postage (how much will it cost for postage and handling? Simplicity will provide you with a quote once they receive your order - total including freight.)*

**Cut-off date for ALL orders – Tuesday, 5 September 2017**

**Contact details are included on the Order Form, which you can download from the web site, for mailing or scanning/emailing to Simplicity.**

***RUSH, don't walk, to your nearest pattern catalogue now!***
