It's great value for sewing businesses

The Industry Partner Program is great value to sewing businesses and our members! We love to sew and we know a stash can never be too big, you can never have too many patterns, notions or tools and we all have a dream machine in our sights! We are aiming to make the Australian Sewing Guild one of the first places you go when you want to sew!

What we offer you is publicity

-  in our newsletter
-  on our website www.aussew.org.au
-  on our fast growing social media platforms (Facebook, Blog and Pinterest)
-  at our Convention and Industry Days
-  via the chit chat at our Neighbourhood Group Meetings
