

BALLARAT APRON FESTIVAL

Stitching together a love of sewing, baking, and nostalgia the highly successful [Ballarat Apron Festival](#) celebrates all things apron. Connecting with the Ballarat Heritage Weekend, the BAF is the only apron festival in the world. Established in 2013, it is run by a small team of dedicated volunteers who know how to put on an apron and get the job done.

Historical Apron Display | Tea & Coffee | Makers' Market | Face Painting
